SOURCE ID: 21-227-00100

AGENCY INTEREST: 4117

ACTIVITY: APE20080001

DESCRIPTION:

Huish Detergents Inc. has been transferred to Sun Products Corporation. This detergent manufacturing plant produces detergents and other laundry related products. Some examples of the products manufactured are liquid laundry detergents, different grades of laundry detergent powders and liquid dish washing detergents. They also have blow molding and injection molding equipment to manufacture plastic bottles and pour spouts.

COMMENTS:

No changes on emission units, applicable regulations or potential to emit.
